About This Game

On the west end of the continent lies Belneria, a kingdom in decline. Its neighboring country to the east, Floscin, breaches their

non-aggression pact by launching a surprise invasion. In the ensuing chaos, princess Eris manages to escape from the castle.

As she watches the castle burn, she make a vow to herself.
"I swear... I'll take back my beloved kingdom!"

Dear players,
Welcome to the latest official patch notes for the Ark of Horizon's Early Access phase. In today's patch, we are addressing some heavily requested features from players along with several additional improvements to the game. We greatly appreciate your support during past weeks. Please feel free to leave us your comments and suggestions.
Here's the full details:

Gameplay changes
Added beginner's tutorial missions.
Added jet pack (similar to the effect of rocket jump), shortcut key E.
Added more covers on the Arks.
Changed shortcut key of energy shield from E to F1.
Removed name display of a teammate's location.
Adjust the punishment of dying condition: lower the limit of HP under dying condition each time a players turns into dying condition.
Adjusted the renewal time and height of tidal wave.

Misc
Optimized the inter-space on the Arks: some obstructions such as the bars with inter-space where weapons can shoot through.
